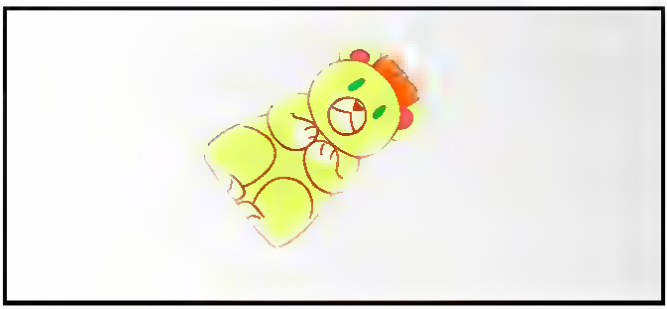
That is...

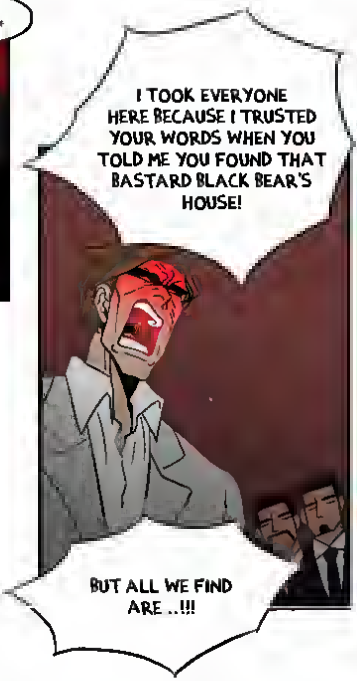
MISTER TEDDY

AGI



WHAT THE HELL IS THIS? YOU USELESS BASTARDS!
smack

T/N HYUNG-NIM IS RESPECTFUL WAY OF CALLING SOMEONE OLDER THAN YOU - OR TO A GANG BOSS



I TOOK EVERYONE HERE BECAUSE I TRUSTED YOUR WORDS WHEN YOU TOLD ME YOU FOUND THAT BASTARD BLACK BEAR'S HOUSE!
BUT ALL WE FIND ARE ..!!!

AND THESE!
sha-la-la

....

ARE YOU FUCKING WITH ME?!?!?!
SFX. ROAR
I THOUGHT MY LIVER WOULD FALL OFF WHEN ALL I COULD SEE WAS THESE FREAKY THINGS. AS I ENTERED! WHERE IS THIS? AN AMUSEMENT PARK?

WHERE IS BLACK BEAR?! WHERE THE HECK IS BLACK BEAR?! I CAME HERE TO HUNT BLACK BEAR. NOT TO SEE THESE CRAPPY FUR BALLS!
SFX: SHOUT
Apparently, he used a lot of money
Apparently, a lot of our people got bashed up.
SFX: YELL
RIGHT! YOU USED HEAPS OF MONEY AND GOT MY GANG ALL BASHED UP. AND YET THE ONLY THING YOU FOUND WAS THIS KIND OF PLACE?

Hyu-Hyungnim, please calm down and listen to me. I'm sure this is the place where Black Bear lives

We found male apparels that are assumed to be Black Bear's. This size is not what normal males can handle
...

Sigh... Are you sure this is the place? Not a place of some random dude?
vomit

Yes, sir! We were on stakeout in this area for days
and we confirmed that Black Bear comes and goes from this building several times.

We researched about the building, and found that it was an abandoned mansion that was bought by someone who also left it alone.
We then looked into the building owner and found out that it was that annoying four-eyes in Black Bear's line.
The first floor has no sign of life and it's only the second floor that is being used as a dwelling
So, judging by these things — we predict that Black Bear has a secretly hidden woman or a family member.

DAMN IT!!!
KICKS

And to think I led all my men... only to find Black Bear himself is not here .. Lucky bastard

LET'S GO!
I wanna leave this place ASAP!

WE'RE GOING BACK! BREAK EV-ERYTHING YOU CAN!
BREAK EVERY-THING!
What about Black Bear? What is hap-pening?
He said we should go back for now.

What's this ?

slide

Hey, this doll's pretty well-made. And my girlfriend's birthday is coming soon... I guess it won't matter if I give this...

Damn it, I feel like shit now!
부우우우웅
SFX: VRRRRRRR

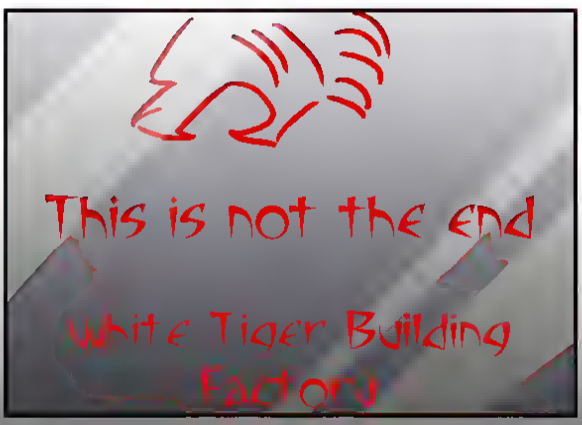
So, what now? If we go back like this, how can I walk with my head held up in front of my guys?!
The one who planned this is sitting in front of you.
complain
complain
The one who said Black Bear will be there is sitting next to us
God, these goddamned naggers.

For now, we left a mark behind

If the Black Bear really lives in that place, he wouldn't let this provocation slide
Judging by Black Bear's past actions- it is very likely that he will come alone
So, I suggest we go back to our hideout and plan something else while waiting for him-
I bet 10.000 won that Black Bear won't come
I add 50.000 won on top of that for the opposite
ARGH! JUST STOP BEING JERKS, WILL YA?!

Sigh It's not bad to teach that bastard how careful and scary the Tiger Gang is.
I'm sick of seeing the old higher ups suck up to him
We are the Tiger Gang! If there's something amiss, we just have to get rid of it! Even if he uses his fist well, we just have to push with numbers

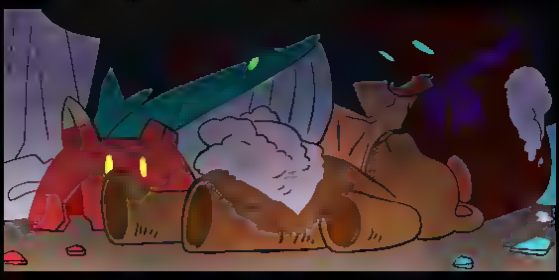
We'll show you how scary a tiger can be, Black Bear...



This is not the end
White Tiger Building Factory

....

How... did they find this...?



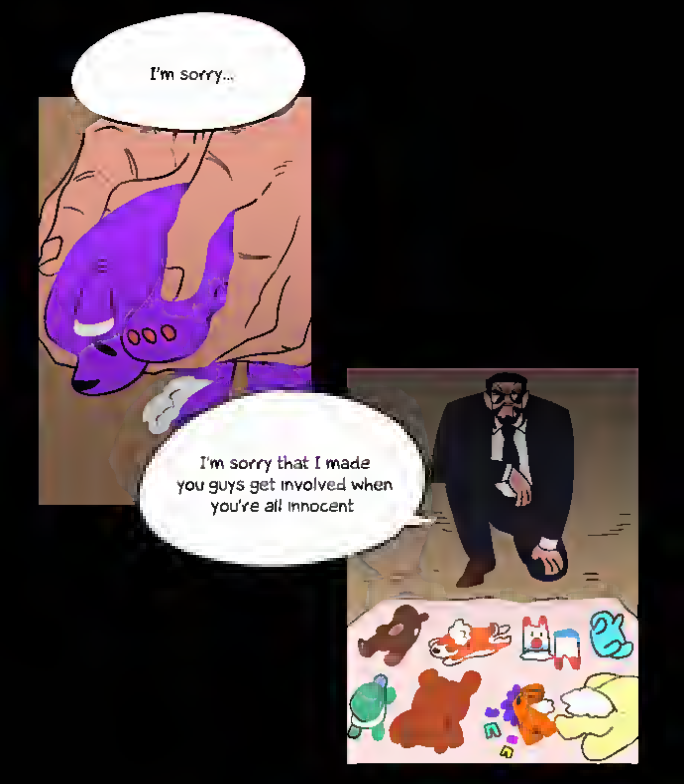
They destroyed everything
Destroyed everything without a single thing left...My everything

AHHHHHHHHHHHH!!!!!!
SFX: BANG

Urgggghhh....
My... My everything...

They should have... targeted me instead. Why did they have to do this to these little ones...?

The Tiger Gang has been acting strange recently
I fear that there's some power behind the scenes influencing them to move...



I'm sorry...
I'm sorry that I made you guys get involved when you're all innocent

쿠쿠쿠쿠쿠
SFX. RUMBLES

They shouldn't
have touched you

What's this? What's with the doll?
I sneaked one out while we destroyed things.

Why, to give it to your woman? You frig-gin' beggar... You could have bought one if you needed a present
Hey, how can a man buy dolls? She'll like whatever I put in her hands, so it doesn't matter
I guess, why would a man buy these kinds of things?
So...
you're saying we should wait here tonight, just in case?
Yes, Hyungnim. Black Bear will definitely come. I swear it!

Even if they come as a group, according to the number of guys we've seen so far, we outnumber them by far.

Soon, Black Bear will kick in that door and crawl into a tiger's den on his own feet

Bam
HIIIK! I AM RIGHT? HE REALLY CAME!!!
eeek
HIIIK! THIS GUY WAS RIGHT? HE REALLY CAME!
